TUE _____

This image shows a single sheet of white paper with horizontal ruling lines. At the top left, there is a light green, hand-drawn oval shape. The paper is framed by a dark border, suggesting it's part of a notebook or binder.

WED _____

This image shows a blank sheet of dot grid paper. At the top, there is a solid light green horizontal bar. Below this bar, the page is covered with a grid of small, evenly spaced grey dots. On the right side of the page, there is a simple line drawing of a young green plant with two leaves and a thin stem, growing upwards. The entire page is framed by a double-line black border.
